

LONDANA

1940

Albert Cowser

Dear Albert,

I want to tell you of my appreciation for the good times I have had when we were together which has been nearly all the time. Your words of advice have, as you know, often been heeded. I sincerely have enjoyed the companionship with you this last year of high school. You are the one who has made it a grand and great one. I would like to have the sparkling personality that you own. I feel it has made you many friends which you will never lose. I wish I could repay you for the things you have done for me. I wish you all the success and happiness that Miss Hortune may shower upon your broad shoulders.

Here's to a swell,
grand and great guy,
a Pal for Holbyman

TROY R. DURAN, SUPERINTENDENT
NEW LONDON, TEXAS

Londana Staff, Sponsors, Students, Faculty and Patrons:

Again we have come to the close of a successful school year. We realize success can come only through full co-operation by those concerned with the welfare of any organization. In this case, the organization is our own London Schools, for which we are justly proud.

It is our sincere wish that we continue the improvement of our schools, which will result in a better community and a more worthwhile citizenship. To accomplish what we have already begun, we must never lag. Our effort is not for competition. It is to improve our record and to make today better than yesterday.

These ideas being kept in mind, we may turn through the pages of this book of recollections and remember that you have achieved by your own efforts. We are most grateful and appreciative of time and effort well spent.

Greetings:

Proof of much hard work and a genuine spirit of cooperation in shouldering individual and group responsibility is manifested in the production of this issue of The Londana. To all who have had a part in its production, let me say, congratulations. I am confident that you will be rewarded many times for your efforts.

To the Seniors of 1940, let me say, it has been a pleasure for us to have been together again. My relations with you and the school have been most worthwhile; may your future be both pleasant and profitable as a result of your efforts in the London Schools.

I shall watch your future progress with sympathetic interest and best wishes.

Sincerely yours,

TROY R. DURAN,
Superintendent.

This book indicates the completion of one other phase of your school work for the year. Its successful completion, its careful attention to pertinent details, and its complete appropriateness characterize those attitudes you, as a group, have assumed toward your entire school program for the year. LOYAL FOREVER

(Faithful Forever)

By MARION BREWER

Loyal forever, to you, London High.
Though we say "Good-by,"
We'll remember you.

Statue of knowledge for wisdom's own sake,
We never shall break
Your golden rule.

Now that we leave you, London High,
We've a smile on our lips
But a tear in our eye.

Loyal forever, though we say "Adieu"
We'll never forget—gold and blue.

The Library Club

The Library Club's major aim is that of service to faculty, students and whoever may seek the library searching for knowledge, though it be for improvement of mind or for recreation. The club members assume numbers of mechanical duties which are small in themselves, but which would otherwise require the valuable time of the librarian. They receive no recompense in the form of pay or credit. Their only rewards are the experience they gain and the pleasure that comes from serving the school—"For Wisdom's Sake."

A Girl's Creed

I believe that the home is woman's natural environment. I believe that there is as much art in making a barren house into a glistening comfortable home as there is in painting a picture or in writing a poem.

I believe that there is dignity and beauty in service; that as a career for women home-making offers greater opportunity for leisure, for growth of mind and spirit, for exercise of the body, than any other occupation.

I believe that one who has the intelligence to keep her own house in order is wise enough to be a force in any community. It is my desire to be one of the countless women of the world to make life sweeter and better because I live and do my work well.

SECOND-PLACE FOR BOYS' TEAM

Perry Jones, Floyd Johnson

Much of our success this year we feel may be accounted for by three factors: (1) the advance preparation for Perry, Floyd, and Marilla in the summer study class at Baylor University; (2) to the experience gained in the debate tournaments at Texas University, Baylor University, and the several high schools we were permitted to attend; and (3) to the spirit of "hustle" and "work" which prevailed among the unusually large number of debaters.

MR. WAGGONER, Junior High School Principal

Greetings...

May I take this opportunity to congratulate the staff, sponsors, and student body on the completion of this very outstanding piece of work. Members of the staff no doubt have put forth more time and work on it, but without the cooperation of the student body there could never have been such a finished product.

The Junior High Faculty and students are indeed grateful for the recognition given us. It is our wish that the example you have set will be a guide for us to follow in the years to come.

Sincerely yours,

F. F. WAGGONER.

The Junior High Dramatic Club produced a well rounded program which included a Christmas pageant, "Come Let Us Adore Him," "Her First Party Dress," "Aunt Tillie Goes to Town," Declamations, and Choral Readings.

With the aim of fitting ourselves for any speech occasion which might arise, we studied the speech mechanism, posture, stage technicalities, the art of make-up, and used them in our productions.

Membership to the club is limited to those who are interested not only in the presentations but in the mechanics of the club.

THIS YEAR IN REVIEW

Football

COACHES—R. L. Moore, Paul Irick

HIGHLIGHTS OF THE SEASON

After bagging two wins at the hands of Edgwood and Salem, the Wildcats journeyed to Rusk to play what proved to be one of the hardest games of the year. With less than two minutes to play Rice passed to Allmon to give us a clean victory of 6 to 0.

Then came the game with Troup in which the Cats showed strength in taking them into the den to the tune of 29-0. However, the following week they were to look at eleven "big" Indians from Carlisle, one of the largest elevens in the State. Before the boys could recover from stagefright the Indians were leading 18-12. Nevertheless the Cats played a whale of a game in piling up more yardage from scrimmage than their opponents. It just wasn't their night, and they suffered their first defeat.

The boys didn't enjoy tasting defeat, for they came back the next week to slaughter the L. C. Lions by a wide margin of 33-0.

The Gaston game was one of the best enjoyed by the boys all year as their passing attack was working as usual, plus a good running game, and the results avenged a defeat set up by the Red Devils year before last, 20-2.

Arp proved to be a worthy opponent and it took some fancy running by a scat back or two in Watson and Gibbs to overcome an early lead by Arp the first 3 quarters. The final score came late in the 4th quarter and a victory, 18-14.

The final game, supposedly the climax game of the year, was a disappointment to the boys as well as to the backers. The condition of several key men was no enjoyment to the coaches, and Overton was seemingly cocked and primed for this encounter and when the final whistle blew we had lost our chance of winning a championship. However, our boys had made a very creditable showing and when the all-conference teams were picked, Leo Van and Harry Rice were unanimously chosen to play in the annual all-star North and South Game to be held at the Coaches School in August.

Sept. 15—Opening game with Edgwood.	Here	33- 0.
Sept. 29—First conference game with Salem.	There	29- 0.
Oct. 6—Go to Rusk.	There	6- 0.
Oct. 13—Troup.	Here	26- 0.
Oct. 20—Scalp the Indians.	There	12-18.
Nov. 3—L. C.	Here	33- 0.
Nov. 10—Gaston.	There	20- 2.
Nov. 17—Arp.	There	18-12.
Nov. 24—Overton.	Here	0-12.

On Sept. 1st the boys reported to Coaches Irick and Moore to assemble their equipment and bedding for a 12-day period of ball training in the hills of the Ozarks near Hot Springs, Ark.

As compared to the previous camps this one surely surpassed them all in accomplishments as well as enjoyments. Fishing, swimming, and good meals made up a major part of the program, as well as the first call for practice at 5:45 in the morning and 3:00 in the afternoon. Twelve days were immensely enjoyed by the boys and the coaches, as well as Mr. Garner, who wants to go back and try to catch some fish as large as Coach Moore caught.

Closing the early fall training with an intra-squad game, the members of the encampment started for the piney woods of "deep East Texas" to take up some serious study and a rough football schedule.

The season was considered a great one for the boys as well as the rooters and followers of the team. Shortage of material was a handicap to the coaches; nevertheless, the best efforts were obtained from the faithful ones who participated.

BASKETBALL

Football season over, the following boys reported for basketball practice: Glen Stephens, Bob Allman, Ralph Harris, Harry Rice, Leo Van Haverbeke, Roy Osburn, Marshall Netherton, Ray Motley, Loy Dorsey, Donald Mathis, J. C. Warren, James Bratton, and the manager, Rodney Hardy.

The season was considered most successful in that the Wildcats were contenders for the Northern division championship up until the very last game.

The season was highlighted with excellent team play in which every man contributed his best efforts. Coach Irick turned out one of the hardest working teams ever produced here and their record will be something for the future teams representing London to shoot at—19 won and 15 lost. As far as there being an outstanding man on the ball club, there just wasn't one; nevertheless, honors were bestowed upon Harry Rice for being selected on the all-tournament team at the Troup invitational tournament in which the London Wildcats went to the finals.

Coach Irick appointed his captain before each game and at the close of the year the boys elected a permanent one, and this distinction also went to Harry.

TRACK

Trackmen representing the London High Wildcats were Ray Motley, Leo Van Haverbeke, Harry Rice, Theron Booth, Loy Dorsey, Graham Pierson, Albert Cowsar, James Bratton.

After one week's workout the Wildcats invited L. C. and Overton over to the den and wound up with a total of 44 points and second place. Overton scored 46 and L. C. 36.

Ray Motley, Leo, Harry, and Pierson made creditable showings at the county meet held at Carlisle, and will represent us in the District meet to be held in Nacogdoches on April 12th and 13th.

TENNIS

COACH—Mrs. Marie Mash

The London High School tennis team completed the second year of its organization with outstanding success in the Competitive Interscholastic League Meet.

DeHart McMillan—Singles (County Champion)

Nathan Durham and Calvin Corie (2nd place)

Mary Betty Harnet—Singles

Donna McMahon and Corrinne Miller (3rd place)

John Van Haverbeke—Singles (Junior age)

Christine Watson and Juana Faye Biedleman—Junior age Doubles (2nd place)

VOLLEYBALL

COACH—Mr. J. R. Garner

The London Volleyball team, composed of 13 members, were county champions of the 1939-1940 season.

In their pre-season games they won 13 games and lost 6, a percentage of 69.

TYPING

COACH—Mrs. Hazel Cobb

The typing team was composed of Betty Blomgren, Peggy Dodson, and Jimmie Grove. These pupils took part in contests at Kilgore, Leveretts Chapel, and Arp. In the Interscholastic League Contest they placed third as a team and Peggy Dodson won fourth place as an individual.

SHORTHAND

COACH—Mrs. Hazel Cobb

The pupils who represented our school in the Interscholastic Meet in shorthand were Iris Griffin, Ruth Utsey, Maxine Beekman, and Eunice Vroman. These girls won first place as a team and as individuals Eunice ranked first, Iris second, and Ruth third.

The shorthand team, composed of Eunice Vroman, Iris Griffin, Ruth Utsey, and Maxine Beekman, won first place as a team in the county meet, where they competed with students from four other schools. As individuals they placed in the order listed above, and the first three were eligible to enter the district meet.

At the district meet held in Nacogdoches, Ruth rated first, Iris second, and Eunice third. This entitled them to go to the regional meet at Longview, where they competed with five students from each district in our region. Here Iris rated second again, and this gave her a right to go to the state meet held in Austin, Texas.

DEBATING

COACH—Mr. J. H. Bunch

Several times within the last few years the London debate teams have finished second in the county meet. This is the first year either team has won a championship cup since Lahoma Hayward and Maxine Cowsar won the county and district championship.

Marilla Davidson

Bernice Adams

} First place

Floyd Johnson

Perry Jones

} Second Place

Competition was very keen this year. During two days of debating for both boys and girls, there was only one debate where the judges' decisions gave any team more than a one-vote margin. The final debates were 4-1 for our girls and 2-3 against the boys.

ONE-ACT PLAY

COACH—Mrs. Garner

"Pink and Patches" won first place in the County, competing with nine others. "Rexie," Sonny Lea, won best actor in county; "Texie," played by Mildred Whitner, won best actress; and "Ma," played by Elizabeth Williams, won best supporting actress.

TENNIS—Boys' Singles

COACH—Mrs. Marie Mash

DeHart McMillan, a junior in the London High School, carried his school colors through the county, the district, and into the finals of the regional meet, to place second in the Tennis Tournament. This is the first time in the history of the school that any contestant had gone past the district meet as a first place winner in any athletic event.

DeHart (Buddy) McMillan is a "natural" in tennis and he has shown steady improvement in his game since he became actively interested in the sport as a member of the Junior High School team.

Buddy is not only an outstanding tennis player, but he is an added asset to the school in other activities. He is a member of the annual staff, the press club, the High School band, the Junior play cast, and was assistant property manager for the one-act play.

BAND CONTESTS

The Senior band won a first division in marching at Longview on April 27. The Junior band won a first division in concert and sight reading. They also won a first division in marching.

Both bands were in Waco May 7-9 to compete in the National Band Contest.

In this contest Harold Oneal, Opal Hardwick and Floyd Johnson competed in solo work. The results of these contests were announced too late to be included in the 1940 Londana.

JUNIOR HIGH SCHOOL COUNTY MEET

The Junior High School entered teams in all the events of the county meet this year. We took some first places and placed in most all the events. We set a new record in one field event.

Mrs. Corley's declamation team of Elizabeth Clark and Charles Respass won a fourth place.

Miss Todd's fifth grade spelling team tied for first place with our elementary school. The team of Ethel Mae Langston and Evelyn Allen turned in perfect papers. The sixth grade spellers under Miss Burton did not win, but they had good experience of being in the County Meet. They were Frances Martin and Jannett Stone. Miss Wright's eighth graders, Zenada Mae Watson and Joyce Collins, did not place, but their scores were very high. Joyce Collins represented London in the Ready Writing Contest and won a second place. Mr. Meador's Picture Memory team, Gilbert Holleyman, H. B. Mount, M. T. Allen, Dickie Dale Rosson, and Bobbie Joe Phillips, did not place but their scores were in the nineties. Mrs. Lancaster's Music Memory team did not place, yet they know their music today from the training they had before the county meet. The team was made up of Colen McGourick, Clyde Scott, Bonita Isham, Gladys Utsey, Billie Rene Ader, and Katie Marie Gee. The Choral S., also under Mrs. Lancaster, won second. Mr. Wylie's Number Sense team won fourth place and George West made the highest score in the county. Other members of the team were Louis Todd and Gerald Thompson.

In Junior Track, under Mr. Waldrip, David Allen won first place in chinning and third place in broad jump. J. R. McDaniels won second place in the 100 yd. dash, Joe Millar Busby was second in the 50 yd. dash, and Delmar Wilkins was third in the high jump. The relay team, composed of J. R. McDaniels, Joe Busby, Donald Pendleton, and John D. Hogue, set a new county record, lowering the time from 51.7 seconds to 50.4. The tennis team was made up of Donald Penaldton and Tammie Hodges, who won first place. James Bishop took third place. Mrs. Parmely's volleyball girls won second place and the playground ball team won third place. The girls' playground ball team won fourth place.

ELEMENTARY SCHOOL COUNTY MEET

The Elementary School spelling team tied with the Junior High team for first place; this team was Jimmie Tomlin and Janet McGourick. The Story-telling Team under Miss Langham won third place; Milly Middleton was the story-teller. The Choral Singing group under Miss Langham won first place. Their leader was Ann Cate. Their picture is on page 43.

An Open Letter

May 15, 1940

I want to take this method of thanking everyone for the assistance they have given us in the preparation of our annual. This job is impossible without the assistance and cooperation of many students, teachers, and patrons. Everyone has worked hard, spent many hours thinking, planning, and preparing the copy.

To Mr. Garner, my sincere thanks for the hours he spent in the "dark room" working with our snapshots. To Billy, thanks for his untiring coverage of school events throughout the year. To Miss Turney, well, I just could not have survived without her. To Mr. Meador, thanks for preparing our cover design. To Mr. Cate and Mr. Waggoner, may I be forgiven for breaking up school for days at a time getting those "fotografis." To Buddy Watson, for being neither absent nor tardy at a single Annual meeting; to Marion and DeHart, who missed once or twice, thanks a million. Rosemary, John, Haynon, Kathleen, Jean, Pearl, Jerry, may I be forgiven if I kept you from your studies, but we really had to have you here.

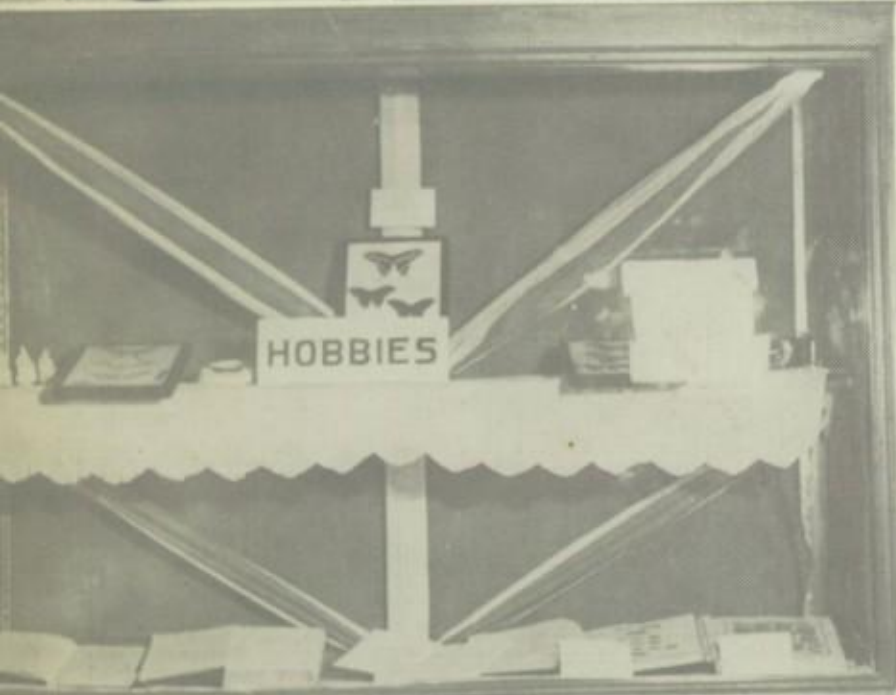

To the patrons, students, and friends who came to our plays, shows, and programs, you made our Annual possible. Thanks.

Mr. Duran, thanks; your advice and leadership gave me courage when things looked dark those few days before deadline.

And to those who purchased Annuals, may they be the most pleasant reminder you have of the London Schools, something to treasure forever.

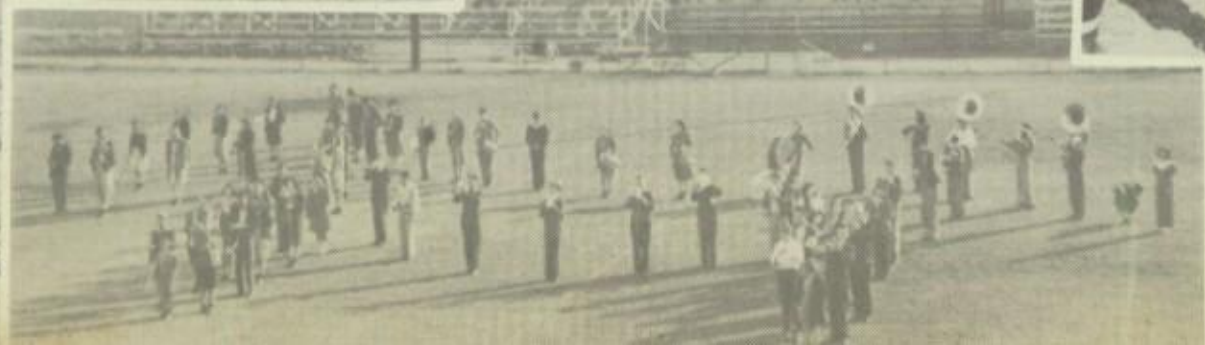

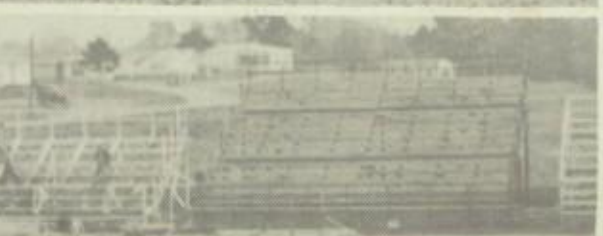

AUDREY NEWELL, Editor.
